

Is your student interested in **SCHOLARSHIPS, VOLUNTEER HOURS, or LEADERSHIP?**

If so, then the Liberty PTSA is the answer for you and your student!

SCHOLARSHIPS – LHS PTSA will offer numerous \$500 scholarships. To be eligible for these scholarships, a student and at least guardian needs to be a member of LHS PTSA. Joining each year increases your eligibility.

VOLUNTEER HOURS – To graduate with Community Service Honors, a student needs to complete 100 community service hours by the Spring of their Senior year. PTSA will have many opportunities for student members to earn those hours.

LEADERSHIP – All students need leadership opportunities. We will be emphasizing the “S” in PTSA. Students can serve on and lead committees and have a voice in PTSA events. This looks great on college and scholarship applications.

In addition to these benefits, PTSA members also gain discounts to the following business:

Please fill out the PTSA membership form that was in your student's registration packet or download a copy of the PTSA Membership Form from the Liberty PTSA website. Your student can return the membership form and dues to the LHS front office. Dues are only \$5/person.

If you would like to volunteer or want more information on the LHS PTSA, email president@liberty.friscopta.com
